New Business

- Frontier is doing away with our current phone plan. Shenelle received information and a service agreement with Spectrum for new service for phone and internet at the office and sewer plant. There is not contract for the plan with Spectrum and we can cancel at any time. Our current phone plan is \$410 a month through Frontier and Spectrum would be \$239.95.

Motion to accept the service contact from Spectrum for phone and internet services made by Lucas, seconded by George, all in favor, motion carried.

Meeting Adjourned at 6:05pm.

Minutes respectfully submitted by _____.
