New Business

- Fire Department: Due to concerns within the fire department and several active members walking out of last month's meeting. Fire department members have reached out to the borough for help with these ongoing problems within the fire department. A new chief has been put into place currently and calls have been missed. Brennan states that we must give them a chance to work it out amongst themselves but offer support if needed. The concern for the borough and surrounding areas is fire protection and calls being made. Brennan states that David was elected mayor by the council and town and will make the right decision for all. David and Brennan will be attending tomorrow's fire department meeting. David will address the department and make decisions as needed.

Motion to give the approval and consent of the council that the mayor may remove the current fire chief as well as appoint a new fire chief to the Tioga Volunteer Fire Department 7 made by Brennan, seconded by Alan, Bill abstains, all others in favor, motion carried.
